Transcript: <https://dontveter.com/ec/bb.mvu2.pdf>

MVU, everybody down, yeah, don't make a sound. What happened?

I was stabbed, this madman just came out of nowhere, I think it was John, he was fired last Tuesday.

I think you have the wrong idea about us ma'am, we're the MVU the Microaggression Victims Unit, social justice, not criminal justice.

Did the stabber verbally assault you in any way? No.

Did he ask where you're from? No.

Did he imply that you're not qualified for your job because of your gender? No.

Did he assume you're the secretary? I am a secretary.

Is it because you're because, I'm, what, well, what you, what she's trying to say is, say it, ... say it ...

MVU, you, yes, you bet, you're gonna be fine, good luck.

Get it. Feel better. Good job.

Well, two days ago I sent a message on the company slack (?) saying I'm gender fluid now, they, them, and I'm going by Alexa now, not Alex.

So brave, so beautiful.

So today I hand in my reports to the CEO, and you know what he says to me, "good job, Alex".

That's a microaggression, yeah.

That's a microaggression, yeah, yeah, yeah, yeah, yeah, yeah and so now I'm just worried.

A case like this could take years to play out.

Don't worry, we're the MVU, that means we operate in the social justice system, no trial, no lawyers, no rights.

We'll have them canceled, by, uh, tonight, tonight, yep.

No one will hire him. he'll be lucky to be flipping burgers at McDonald's, although I do have a man on the inside and I can make sure that he gets on the Mc blacklist.

Thank you both so much, and you really know how to treat a lady.

Why don't you just point them out for us?

Honestly, that was fantastic, that expansion into the z sector, I mean that was perfect.

Really. Thank you guys so much.

It's our pleasure, my job, yeah, it's our pleasure.

That's him, he stabbed me.

Ma'am, this man was misgendered, yeah misgendered, uh, they, huh, you said this man, it's a, no, I didn't,

I'm dead.

Did you just watch a video from the Babylon Bee? Then you are part of the problem.

I'll bet you're gonna like, comment, subscribe, and hit that little bell button too.

Aren't you, you are a cisgendered, heteronormative aggressor? You are perpetuating problematic toxic ideas of Anglo-normativity.
