You're a great mom.

I don't know, I'm fine with Trevor but with Phoebe, she really keeps me on the outside.

That's normal, she's an awkward, nerdy kid.

Maybe a new home can be an opportunity to start fresh.

I just wish he'd get into some trouble.

There's still time.

What are you doing here in Summerville anyway?

We're completely broke and our grandfather left us this creepy old farmhouse in the middle of nowhere.

Your father wasn't much of a homemaker, he could hardly keep the power on.

You're saying he left us nothing?

Well, I wouldn't say nothing.

You went with station wagon?

It's the only one that had an engine.

What is happening here?

Somehow a town with no fault lines is shaking on a daily basis.

Maybe it's the apocalypse.

Egon came out here for a reason.

Are you troubled by strange noises in the middle of the night?

Do you experience feelings of dread in your basement or attic?

Have you or any of your family ever seen a spook, spectre or ghost?

Oh my god! Did you guys hear that?

Something's coming, the whole city it's like the walking dead.

Ghostbusters, we're ready to believe you.

We're closed.
